## Mr. Abel Lee

Mr. Abel Lee joined the ELHS faculty as a social studies teacher in 2017. Since that time, he has become an integral member of the East Longmeadow High School community. He joins a long list of former ELHS graduates (2006) that have come back to teach in our building. We feel very lucky to have him.

A graduate of UMASS in 2010, and again in 2011 when he earned his Masters degree, Mr. Lee has coached Lacrosse, is currently an assistant coach on the football staff, and he runs the Spartan Strength and Conditioning program. His calm demeanor, sincerity, and commitment to the students of ELHS are just some of the reasons that we, the senior class, dedicate the 2021 Aegis to him.

Mr. Polk and 78 others

## The Year of the Pandemic

2021 **TV-PG21** 4 Seasons **HD**

This was supposed to be the best year of high school for the class of 2021. Little did they know their world was going to be changed forever. The seniors have to collect all of their strength to overcome and win this battle of "The Pandemic". Will they make history?

## *CLASS OF 2021!*

Despite the challenges we have faced along the way... we made it! I wish all of you the best of luck on your journeys and endeavors and hope that you all experience the best life has to offer!

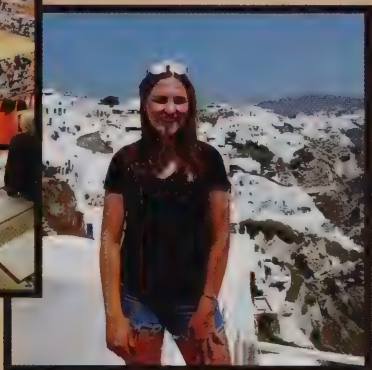

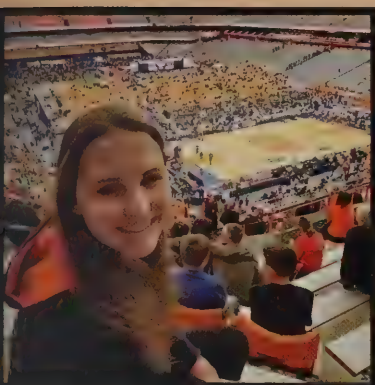

***KEEP ON DREAMING AND  
BEST OF LUCK!***

Have a safe and happy future,  
Erin Hill

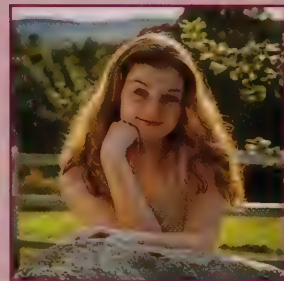

## Sophia Wychowski

*We love you, Sophia, and couldn't be more proud of you! You're going to do great things, and we can't wait to watch how the rest of your life unfolds.*

*Love, Mom, Dad, and Sam*

## Delaney Heath

To Our Amazing Daughter,

Your beauty, your talent, your unique personality- they all add up to the incredible young woman you have become. We've watched you rise above the challenges of this past year, and we know sometimes those challenges were hard. You may have doubted yourself from time to time, but we never did. Your energy and will shine so bright, nothing could ever permanently dim what resides inside you. You are fiercely loyal to those you love, you have BIG dreams and we want you to keep them, feed them & never lose sight of them because you are worthy of every one of them coming true.

We are both so proud of you!

All our Love  
Mama & Ralph

## Aylee Weiss

*To our smart, funny, and beautiful Aylee,*

*We are so very proud of you and all that you have accomplished through your hard work. You have learned that the only way to succeed at anything is putting in the time, having the drive, and being resilient. Those qualities will take you far in life.*

*We are very excited to see where life takes you – the sky is the limit with whatever you choose to do. Remember, you miss 100% of the shots you do not take, so keep shooting for the stars!*

*Love,*

*Mom, Dad, Kayla and Talya*

*That was then  
&  
This is now!*

*Preschool ~ 2008*

*Seniors ~ 2021*

Brianna ~ You came home in 4<sup>th</sup> grade saying that someday you will be a teacher just like Mrs. Kingston and haven't strayed from that idea since. I have no doubt in my mind that this is exactly what you will do. Your strength and determination over the past few years has been impressive. Your amazing outlook on life and the happiness you spread to everyone around is what I love about you! Continue to always work hard, believe in yourself and have fun. High school is just a stepping stone to many great things ahead. Love ~ Mom

Brianna, You have been a special girl since the day you were born and have now grown into a beautiful young woman. I am so proud of all you have accomplished and excited for what a bright future is ahead of you. Congratulations on your graduation during such a difficult senior year and thank you for being a wonderful daughter. I love you and you will always be my little girl. - Dad

This was the first and only year that the 5 of you cousins would've been in the same school together. Unfortunately due to COVID-19, not only did you not walk the halls together in the fall, but you were unable to support each other at your games. 2020 has had a lot of twists & turns, let's hope 2021 ends differently!

Dear Abby,  
 To the girl who stands up  
 for what she believes in,  
 works hard for what she  
 wants, and leaves the  
 world around her better  
 for being in it...we love you  
 and can't wait to see what  
 your future holds!

 CLASS OF 2021!  
 YOU DID IT!!

# Emily Conrad

Congratulations  
 Emily!!

Things weren't  
 easy at the  
 beginning or the  
 end of high  
 school, but you  
 made it!! You're a  
 survivor. We're so  
 proud to be your  
 parents.

Love, Mom & Dad

Renée, Class of 1971

Kimberly, Class of 1992

Brianna, Class of 2021

Brianna, I met your Papa as an ELHS cheerleader 50 years ago. Your Mom was an ELHS cheerleader in the 90s and then you did a fabulous job as a varsity cheerleader for the past 4 years of high school. What a thrill you have always brought to our entire family. Brianna, go to college knowing you will become the best elementary teacher in the world. Your enthusiasm in life about everything is infectious. We are so proud of you! Love, Meme & Papa

Congratulations Rex!

Dear Rex and Catherine,  
 You two have been by one another's side since the very beginning (Rex pestering sweet Cat every step of the way!). Although the two of you will be traveling separate paths now, always remember that you have each other. Your family loves you both so much and wishes you all the happiness!  
 Congratulations to you and the Class of 2021

Congratulations to our sweet and quirky Catherine Lily! We are so proud of you and all of your accomplishments. You are truly a beautiful person...both inside and out!

With much love,  
 Dad, Mom, Michael, and David  
 XOXO

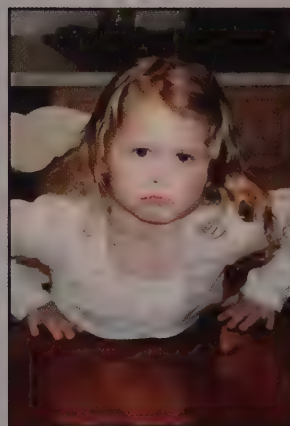

## Ashleigh Richard

To our beautiful daughter  
Ashleigh-  
Words cannot describe how  
proud of you we are. Your  
time at ELHS has been  
enjoyable and challenging  
at times, especially this past  
year, with the hit of the  
pandemic, but you have  
persevered and continued to  
do your best. Don't ever  
give up on your dreams!  
You are an amazing young  
woman and we know you  
will do amazing things.  
Congratulations sweetheart  
and we will always be here  
for you. Love you always,  
Mom, Dad, Zach and Gabby  
too!

## Ashley Boydston

It was a tough year in so many  
ways, but also a great year. Now  
you know how strong you truly  
are. As you continue your  
journey, believe in yourself, trust  
your heart, and know you are  
loved more than anything in this  
world. Never change that  
kindness and compassion you  
have within you. It's what makes  
you, you.

We love you always!  
Dad, Mom, Nate, and Cade

Jake & Connor, You have no idea all the dreams I had for you since the day you were born. You both have exceeded all my hopes and made me so incredibly proud, We have sometimes struggled but smiled, laughed and celebrated along the way. I can't wait to see how you conquer the world in this next chapter. I love you!

Mom

Behind you,  
*All your memories...*

Before you,  
*All your dreams...*

Around you,  
*All who love you...*

Within you,  
*All you need.*

## Hayley Kane

Hayley,

Congratulations on finishing the first chapter of your life! You are a bright, kind, and compassionate young lady. Stay true to yourself and remember there is no limit to what you can achieve. We believe in you always.

Love, Mom, Dad, Brianna, and Kylie

To be yourself in a world that is constantly trying to make you something else is the greatest accomplishment.

-Ralph Waldo Emerson

## Julia Vivencio

You are a bright & shining star. Your kindness, compassion, & strong work ethic will carry you far. Embrace the opportunities ahead of you, keep your heart open & your spirit free. You are a beautiful, joyful, creative person & we can't wait to see the magical life you will create!

We are so proud of you!!  
Love always - Mom, Dad, Michael

## SCHOOL REIMAGINED

The story of this school year really starts in March 2020. As news of COVID-19's arrival in the U.S. spreads, schools close and "virtual learning" begins. At first, the closings are temporary, but as COVID-19 cases increase, most schools shut down for the rest of the year. Teachers must find ways to educate students and schools find ways to support community needs without meeting in person.

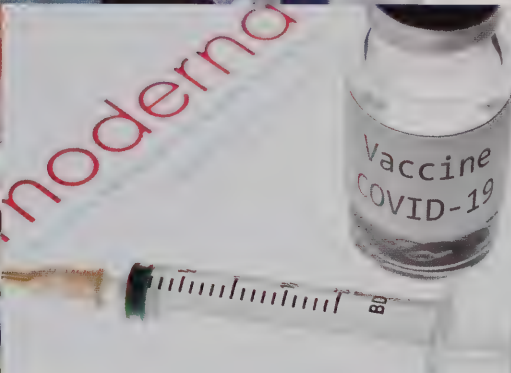

President Trump encourages states to send children back to school full time in the fall, but as COVID-19 outbreaks continue, school districts choose between "distance learning" (students at home all the time), "hybrid learning" (students in school some days and at home other days), or full time in-person learning. Changing virus statistics and state policies lead to a patchwork of on-off school sessions and activities around the U.S.

## COVID-19 VOCABULARY

**CURBSIDE PICKUP:** avoiding entering stores or restaurants. **DRIVE-THROUGH TESTING:** COVID-19 testing sites with as little personal contact as possible. **FLATTEN THE CURVE:** slowing the spread over time. **MASKING:** wearing a cloth or surgical face mask covering mouth and nose. **PPE:** Personal Protective Equipment like masks and latex gloves. **SHELTERING AT HOME:** staying at home except for necessary errands or exercise. **SOCIAL DISTANCING:** staying at least 6 feet away from others. **SUPERSPREADER:** gatherings that result in numerous cases.

## NO HUGGING GRANDMA

Grandparents and other older relatives are at higher risk of serious COVID-19 effects, so families work hard to keep them safe by staying away. This proves a hardship for everyone, especially on holidays and special occasions. FaceTime, Zoom and Skype allow relatives to at least talk face-to-face when they cannot be together and help lessen feelings of isolation and loneliness.

## VACCINES DEVELOPED

Over 140 possible COVID-19 vaccines are in development by December 2020, the shortest vaccine development timeline in history. The first two to get U.S. approval use the COVID-19 genome to create messenger RNA (mRNA), leading host cells to create COVID-19 spike proteins and the resulting antibodies. Vaccinations start in December.

## CITIZENS DELIVER PPE

As the number of COVID-19 cases rises dramatically in Washington state, New York City and New Jersey, hospital staffers and nursing home workers face shortages of Personal Protective Equipment (PPE). State governments struggle to meet the needs of healthcare professionals, and ordinary Americans rush to help.

# COVID-

## A NEW KIND OF DANCE

With school dances cancelled due to school closures and COVID-19 concerns, teens find other ways to celebrate, such as formal-wear photo shoots and mini homecoming dances at their homes.

## DRIVE-BY PARTIES

Across North America, people take to their vehicles to connect and celebrate without violating social distancing rules. Drive-by baby showers, birthday celebrations and even graduations become the norm.

## QUARANTINE COMPANIONS

Dog and cat adoptions increase dramatically, probably a result of families and individuals spending more time at home. In many states, animal shelters actually run out of adoptable pets.

## THANK YOU ESSENTIAL WORKERS

Stay-at-home orders did not apply to "essential" or "front-line" workers who include teachers, medical personnel, firefighters, utilities workers, law enforcement officers, military personnel, meat packers, farm workers, grocery employees, and countless others.

In New York City, residents show their appreciation for health care workers by applauding every evening. "Thank you" signs appear throughout the country.

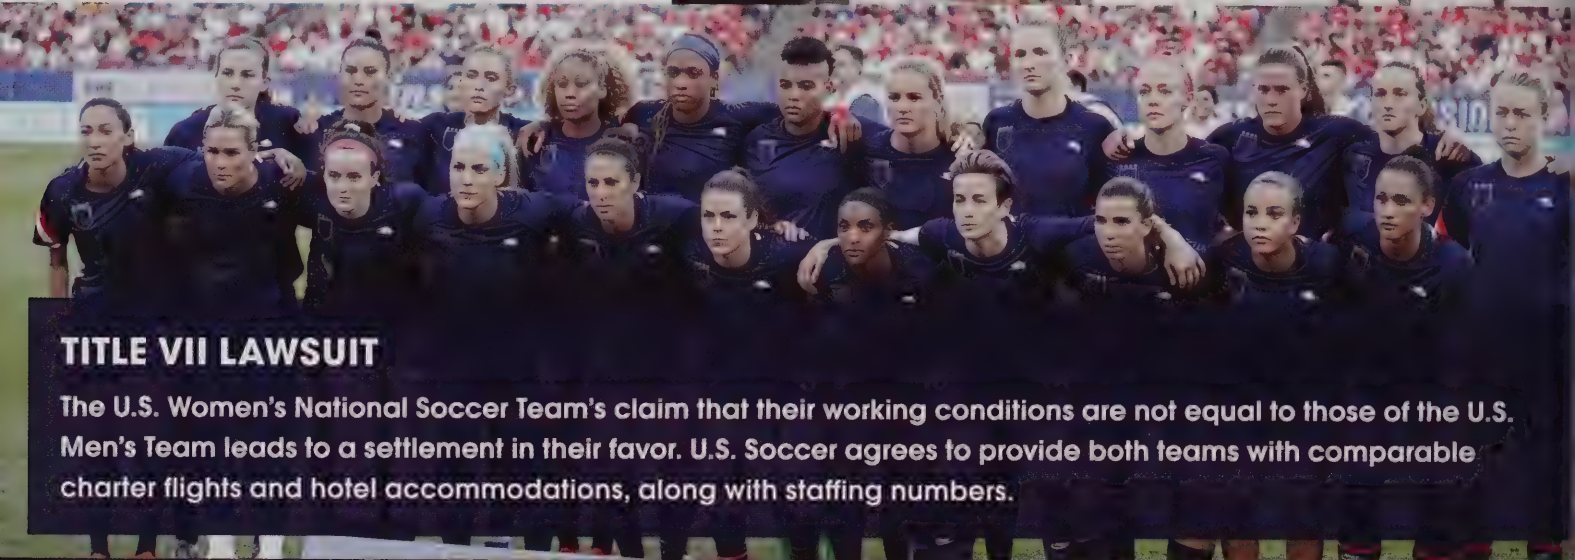

## SPACE X LIFTOFF

In the first NASA partnership with a private corporation, Elon Musk's Space X company, the first astronauts head to the International Space Station. Lifting off in Space X's "Crew Dragon," U.S. astronauts go into orbit on a U.S.-built rocket for the first time in nine years. They will spend six months in space, joining another NASA astronaut and two Russian cosmonauts.

## TITLE VII LAWSUIT

The U.S. Women's National Soccer Team's claim that their working conditions are not equal to those of the U.S. Men's Team leads to a settlement in their favor. U.S. Soccer agrees to provide both teams with comparable charter flights and hotel accommodations, along with staffing numbers.

## MAIL-IN VOTING

Despite COVID-19 restrictions, a record number of people vote in November, as states allow more early voting or voting by absentee ballot. Counting absentee ballots delays election results for days, leading some to challenge the results and demand state recounts. Eventually, all 50 states certify election results and Joe Biden is declared the official winner of the presidential election.

# HEADLIN

## SUPREME WOMEN

Supreme Court Justice Ruth Bader Ginsburg, path-breaking Associate Justice of the U.S. Supreme Court, dies of cancer in September. Ginsburg, one of nine women entering Harvard Law School in 1956, argued six landmark gender discrimination cases. President Trump nominates Amy Coney Barrett to replace Ginsburg, making her the 5th female associate justice.

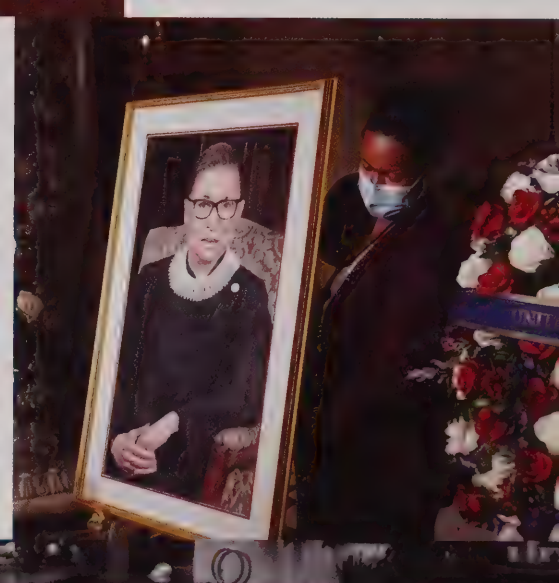

## VIRAL VIDEO PROMPTS PROTESTS

Citizens protest after the posting of a video of Minneapolis, MN resident George Floyd's death while in police custody. The video goes viral, prompting protests in cities across the United States, Canada and the globe, including England, Germany, Denmark, New Zealand and Japan, among others.

## OLYMPICS POSTPONED

The Tokyo Summer Olympics are postponed until 2021, but that is good news for young athletes such as gymnast Konnor McClain, who was too young to compete in the 2020 games but will turn 16 in time to compete in 2021. This is the first time that the Olympics have been postponed since WWII.

## ALPHABET OF STORMS

The November formation of Tropical Storm Theta, the 29th tropical storm of the 2020 season, makes the Atlantic storm season the most active on record. The predetermined list of 21 names based on the Roman alphabet ends with "Wilfred" on September 18th. Although hurricane names have gone into the Greek alphabet before, "Theta" marks the first time storm naming delves that far into the secondary alphabet list.

## FIRES RAGE

The United States experiences a record-setting wildfire season. According to the National Interagency Fire Center, over 10 million acres burn in 2020, fueled by record heat combined with tropical storm-related thunderstorms pushing into the West. In the process, they destroy 10,500 buildings in California alone. On Sept. 8 and 9, the skies along the western coast of the U.S. turn an unearthly shade of red-orange because of nearby fires and smoke.

## TRAVEL CURTAILED

Airlines lost more than 50 percent of their normal business in 2020, as passengers avoided congested flight conditions and many tourist destinations, like Disneyland and Walt Disney World, shut down temporarily. Airports emptied. In response, airlines cut flight schedules, furloughed employees, and advertised new safety procedures. Forbes reported that travelers viewed Delta as the safest airline because of procedures such as leaving middle seats empty and restricting capacity. Some airlines continued to fly full flights, despite research showing airborne virus transmissions.

# HEADLINE

## CIVIL RIGHTS ICON DIES

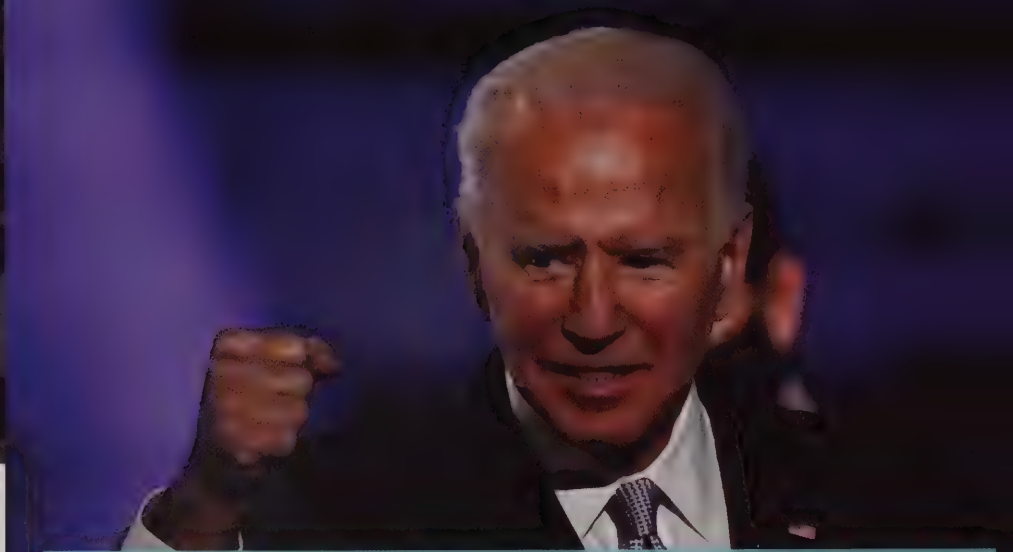

John Lewis, Congressman from Georgia and veteran civil rights leader, dies in July. As a young man, Lewis led the Student Nonviolent Coordinating Committee and was also a Freedom Rider in the 1960s.

## STOCK ROLLER COASTER

COVID-19 affects the stock market throughout 2020. The Dow Jones Industrial Index falls almost 8 percent on March 10th and then 10 percent on March 12th, 2020, as news of COVID-19 spreads and oil prices fall. Still, stock prices climb overall for the year and the Dow Jones Industrial Average sees an overall return of over 8 percent as of December.

## 46TH PRESIDENT

Joseph R. Biden becomes President of the United States after record voter turnout in this one-of-a-kind pandemic election. Due to the large numbers of absentee ballots cast, media outlets do not declare Biden the winner until the Saturday following the election. Although Biden leads the popular vote by 5 percent, sitting President Donald Trump challenges state-level results with multiple lawsuits, and civil unrest occurs at the capitol on January 6 as electoral college votes are being tallied. Nonetheless, Biden proceeds with his transition team, naming an all-female White House communications team and pledging to name the "most diverse cabinet in history."

## VICE PRESIDENT HARRIS

Kamala Harris, the daughter of immigrants from India and Haiti, becomes the first African American and Asian American woman to win the Vice Presidency. Harris previously served as a California U.S. Senator and Attorney General. Her husband, Doug Emhoff, will also be a first – the first "Second Gentleman" of the United States.

## SUPER BOWL 55

Tampa Bay wins their second title, defeating the Kansas City Chiefs, as the Buccaneers' defense and quarterback Tom Brady dominate. The match-up was a battle between the greatest quarterback of all time and the current best, Patrick Mahomes. At 43 years old, Brady is the oldest player to ever play in the Super Bowl. The game is his 10th Super Bowl and he set NFL records with this seventh win and fifth MVP. The halftime show featured entertainer The Weeknd.

## ADJUSTED SPORTS SEASONS

Decisions about sports cancellations or delays are left to local governments and school districts, leading to agonizing back-and-forths. Student athletes, coaches, and school boards ride an emotional roller coaster throughout the year. A handful of states cancel fall sports completely, while others delay the season's start or move fall sports to the spring. Parent protests often convince local governments to reverse unpopular decisions. Although many states do not initially change fall schedules, COVID-19 outbreaks lead to unplanned delays.

# SPORTS

## MAN OF IRON

Special Olympics athlete Chris Nikic becomes the first person with Down syndrome to complete a full Ironman. Competing in the Ironman Florida, 21-year-old Nikic swims 2.4 miles, bikes 112 miles and runs a full marathon (26.2 miles), despite falling off his bike and being attacked by ants at a rest stop. Ironman's Facebook page live-streamed the last two miles of Nikic's run.

## NCAA FOOTBALL CHAMP

Alabama dominated Ohio State 55-24 in the January College Football National Championship. The undefeated No. 1 Crimson Tide, led by Heisman Trophy-winner Devonta Smith, who scored three touchdowns, won their 18th national title.

## FAN SUBSTITUTES

COVID-19 social distancing restrictions limit professional and college sports stadium attendance, and teams come up with creative alternatives, including stuffed animals and cardboard cutouts. Fans can purchase "season tickets" allowing them to display their images on cardboard cutouts in the seats.

## STANLEY CUP

NHL playoffs are postponed to September, then limited to two locations in Canada, Toronto and Edmonton, due to COVID-19. The Tampa Bay Lightning win the Stanley Cup in a 2-0 Game Six victory over the Dallas Stars, achieving a 4-2 record in the best of seven series. Tampa Bay defenseman Victor Hedman was named Series MVP.

## NBA CHAMPIONSHIP

LeBron James wins his fourth Finals MVP award, tying Michael Jordan for that record, after a win over the Miami Heat. The Lakers win follows a tough year with the loss of former team leader Kobe Bryant. The team dedicates the season to him.

## LITTLE LEAGUE WORLD SERIES

For the first time in 73 years, Williamsport, PA, does not host the Little League World Series, due to COVID-19.

# SPORTS

## MLB WORLD SERIES

Concluding the shortest MLB season on record, the Dodgers win the World Series after the Tampa Bay Rays make a controversial pitching change in Game 6, breaking Blake Snell's momentum in favor of reliever Nick Anderson. Mookie Betts slides home to give the Dodgers the go-ahead 2-1 run and the Dodgers win 3-1. COVID-19 impacts both teams, pulling starting Dodgers third-baseman Justin Turner out in the 8th inning after a positive test result but sending Rays Randy Arozarena back in to hit a first-inning home run.

## MLS SEASON ADAPTS

COVID-19 challenges plague Major League Soccer, starting with a temporary shutdown two weeks into the season. Despite regular testing and requirements to wear a mask if exposed, multiple games are postponed or cancelled due to positive COVID-19 tests. Game cancellations lead the MLS to determine playoff spots based on points per game rather than win-loss standings. MLS Cup Match takes place Dec. 12 between Columbus Crew SC and the Seattle Sounders. Columbus Crew wins the Cup 3-0.

## WNBA CHAMPS

Sweeping the Las Vegas Aces in a best-of-five series, the Seattle Storm wins the 2020 WNBA Championship in an unprecedented season. The teams played season games in the Bradenton, FL "wubble" (WNBA bubble). Forward Breanna Stewart, who missed the 2019 season due to a torn Achilles tendon, was unanimously voted MVP for the championship series.

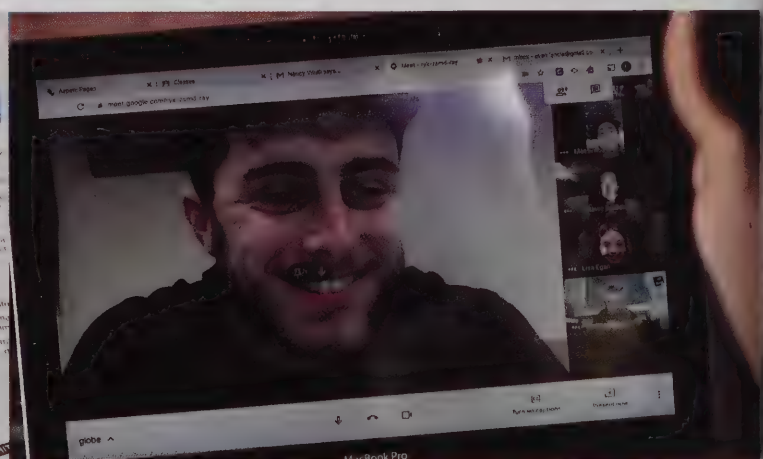

## TIK TOK DODGES BAN

Concerns about national security leads President Trump to threaten to prohibit Chinese-owned TikTok downloads starting in November. Oracle proposes taking over ownership of TikTok U.S. data, and negotiations continue through the fall. Two federal district court judges rule that Trump's emergency economic powers are not sufficient.

## U.S. SUES GOOGLE

The U.S. Department of Justice files a lawsuit against tech giant Google after a Congressional report accuses Google, Twitter, Amazon and others of using monopoly powers. The DOJ claims that Google has illegally paid computer manufacturers billions of dollars to choose Google as their default search engine and restrict rivals.

## MICROSOFT NEUTRALIZES HACKERS

In December, evidence of the most sophisticated and far-reaching hack in years became public. A group of hackers known as "CozyBear" breached a trusted infrastructure supply chain. While Microsoft could not fix the damage already done, they were able to prevent further infiltration within four days.

## HOME ENTERTAINMENT

With movie theaters shuttered and shorter-in-place orders common, home entertainment becomes more important than ever. Technology continues to enhance social gatherings as platforms like Zoom video conferencing and the Oculus Quest virtual reality headset become more common.

# TECHNI

## SEE YOU ON ZOOM

The Zoom app goes from being a business-meeting app to an "everything" app in 2020, used for virtual learning, social gatherings, art performances, exercise classes, weddings and funerals. As of December 2020, downloading stats put Zoom far ahead of other apps like Skype and Google Hangouts and second only to TikTok.

## NOBEL PRIZE

Doctors Jennifer Doudna and Emmanuelle Charpentier win the Nobel Prize in Chemistry for their work developing a gene-editing technique known as *Crispr-Cas9*. *Crispr* stands for "clustered regularly interspaced short palindromic repeats," a type of sequencing in DNA chains that facilitates bacterial immunity. The *Crispr* technique allows scientists to cut out and replace chain segments. This will enable repairs to flawed genes and prevent diseases, but the technique's potential to create inheritable edited genes in humans is controversial.

## GAMERS' DILEMMA

Sony and Microsoft release their newest gaming systems on the same day, November 12th. Microsoft's Xbox Series X and Sony's PlayStation 5 both offer much faster loading times than their predecessors and are similarly priced at about \$500. However, Xbox Series X offers better backward capability, while PS5 offers a redesigned, more immersive controller. Which to buy? Depends on your game preference: *Halo* fans prefer the Xbox, while *God of War* fans want the PS5. Getting PS5 for the holidays proves so difficult that it inspires a *Saturday Night Live* skit.

## MTV'S FIRST PANDEMIC AWARDS

MTV creates two special award categories for 2020: Best Music Video from Home and Best Quarantine Performance.

## MASK TRENDS

While NIOSH-certified "N95" masks are the gold standard, they are unavailable to the general public for months. The urgent need for masks leads to countless creative designs and unending arguments about what the "best" masks are. Elastic loops? Ties around the head? One or two fabric layers? Filters?

## AWKWAFINA MAKES GOLDEN GLOBE HISTORY

Awkwafina becomes the first Asian American performer to win a Golden Globe lead actress award, taking the prize for her performance in *The Farewell*.

## SPOTIFY'S 2020 WRAPPED

For the second year in a row, Billie Eilish is Spotify's most-streamed female artist. Eilish is the first woman and youngest female to win the four main Grammy categories: Best New Artist, Record of the Year, Song of the Year and Album of the Year.

## TIK TOK SISTERS

TikTok sensations Charli and Dixie D'Amelio reach a combined net worth of over \$7 million. The sisters also launch a nail polish brand and partner with UNICEF on an anti-bullying campaign.

# Spartanum

# Performing 2gether as 1

The show, as they say, must go on.  
Even during a pandemic.

In 2020, Spartanum came close to being completely canceled, but some quick logistical moves by Mr. Paige and Mr. Smith allowed a school-wide show the afternoon before Massachusetts closed for the rest of the year.

This year had its own challenges. Social distancing was still required. Audiences weren't allowed. Singing at low volume was permitted. Everyone had to wear masks. None of it would have been possible without ELCAT and the talents of ELCAT Executive Director Don Maki and Assistant Executive Director Jamie Rooke.

"Without ELCAT, there would have been no show," said co-advisor Mr. Bail. "There are some advantages to a taped show though. One dance act made several costume changes during their act. The audience will see the effects through the magic of editing."

The Wednesday before Massachusetts entered a pandemic lockdown, Principal Mr. Paige and Superintendent Mr. Smith met with Spartanum advisors Mr. Kiernan and Mr. Bail. The alternatives were few for Spartanum. A statewide school closure was looking more likely. A show with the general public as the audience looked like a bad idea. Eventually, we reached a decision: Spartanum would perform for the entire school. In spite of some cuts, it was one of the best shows in memory.

Edit Profile

**Julianna Zemba**

Julianna was 13 years old when she became part of the Unify Project. She decided to join this program because she wanted to help people that were struggling with being bullied. After some personal experiences, she decided that she wanted to be part of the movement to change this dynamic and help kids who are bullied to have a voice. One of her favorite events is the yearly Unify Against Bullying fashion show. It showcases all different types of students in an effort to educate and inform people about the dangers of bullying and its physical, psychological and emotional impact on children of all ages.

**Sophia Wychowski**

Over the summer of 2020, Sophia came up with an idea to spread positivity amongst the female students in our school. She believed that social media influenced young generations too negatively, and wanted to make someone feel special. Her goal was to turn the high school bathrooms into bright and inspiring spaces that would hopefully help others keep a positive mindset. She spread positive messages throughout the bathroom stalls hoping her female classmates would go home feeling good about themselves.

During the 2020 boys cross country season, all runners set personal record times throughout the course of the season. Our top three runners, Alec Dimitroglou (All-Western Mass Selection), Luke Williamson, and Chad Nguyen finished top 7 in each of our races this season. Although we were unable to have a full schedule season, each meet our runners improved. First year newcomers Jack Williamson and Johnny Rucci improved each race by 20 seconds or more! Sophomores Alec and Ben Cangemi, Ben Martin, Joe Ferrero, Ryan Clay, and Josh Kirchner have promising futures with the Spartans as they all smashed previously personal bests. Juniors Mitch Aarons and Nick Cassidy emerged as leaders and improved their time each race. Seniors Luke Williamson (Captain), Chad Nguyen (Captain), Joachim Timm, Doug MacPhail, Griffin Wilson, Alvin Zhu, and Michael Kelly will be missed for the Spartans.

After losing 12 seniors and a 7-8-3 record. The Girls Varsity soccer team had high hopes for the 2020 season. With a new coach and 12 spots the fill, it was almost as if they started from scratch. The Spartans came out as underdogs yet finished the season with a 5-2-2 record and stood out in their division despite the team being so young. Covid changed the game, but they were able to rise above the challenges these new restrictions brought and had an outstanding season.

The girls basketball team had a great season. The team grew closer and closer each day, and became a family. Although our season started rocky with two losses against Longmeadow, we worked harder and harder each day and had five back to back wins. Even though it wasn't a normal season we wouldn't trade it for anything else.

The East Longmeadow High School Boys Basketball team had a memorable 2020-21 season, as the Spartans posted their best finish since 2010 (8-2 record) and a #5 ranking in the final Masslive poll. Several individual student-athletes posted new career-highs in both individual games and total season statistical categories. Cam Shaw, Anthony Guimaraes, and Ray Carter lead the way offensively for the Spartans while Jack Sweeney, Brady Mackechnie, and Erik Donaldson anchored the Spartans' defense. Pat Crenshaw, Luke Mazza, and Paul Gosselin contributed off the bench for the Spartans while Nate Wainwright, Conner Robidoux, and Joe Mara showed tremendous leadership and glimpses of what they are going to bring to the program in the coming years.

Wrestling season 2020-2021, will go down as one of the strangest years for ELHS wrestling. The season was canceled during its normal winter season only to be played in the Spring due to Covid 19. As the team moves into next year, we expect the wrestling program to continue to grow. We are expecting great things from our underclassmen and want to thank our seniors Jake and Connor McCarthy, and Matt Clark for their leadership.

This season was pretty crazy and filled with a lot of surprises. We had a very young team with guys that had never really played at a varsity level due to Covid. However, with all that, the younger guys showed heart and fought until the last game. It was a rebuilding year but there's no doubt these guys will have a great team in the future. Although we ended the season with a 1 - 5 record, it was a season we will never forget!

This season was like no other. Due to Covid canceling our season last year we had a fairly new team. Although it was a strange year, we came together as one and made great memories that we'll never forget. We had a very athletic team that could easily rise to the occasion and pull out the win. We faced very strong competitors in our league, but come out with many wins. It was an irreplaceable season.

A season of growth, endurance, and friendship. Whether it was talking and laughing, getting set for the next shot, or cheering each other on, we stuck together. We have friendships that will survive on and off the court. We are already excited for next year!

The 2021 East Longmeadow Boys Tennis Team was filled with some of the best athletes in the high school. Many of the players only took up tennis in 2019 or 2021 and the team reached its goal one year early – they beat Longmeadow for the first time in more than 25 years.

Congratulations!

In an incredibly difficult season for everyone involved, the Girls Track and Field team continued to excel.

Thus far, we have had no less than 28 personal bests from individuals, despite having started the season with a host of new people that had never been involved in the sport.

We welcomed Coach Haniyf Carr to a staff that included several other former all-star performers.

Coach Carr is a former Mass State Record Holder in the discus.

With all the new people that have joined, Coach Budd looks forward to their continued success in the years to come.

This year's team will be a foundation for which future teams can build from. During a trying time with covid we had a group of young men come together and compete to the best of their abilities. Each and every meet the boys saw their performances improve. I am proud of the team's practice habits and thirst for improvement. Brady had an exceptional year winning almost every event he entered.

"Boys volleyball has a young, determined, hard working team. They are a group of guys who are challenging themselves each and every day to get better and can't wait to see what the future holds."

# In Memory of Mr. Mark Greene

"Mr. Greene was incredibly patient, willing, and unintentionally humorous. His soft spoken tone, calm manner, and kind smiles always put us students at ease. Sometimes, our engineering designs would come out ridiculously, and we'd laugh at ourselves, but Mr. Greene never did. He would patiently help us for a long time to figure it out. He created many opportunities for students to pursue engineering and technology, and we miss his presence at ELHS greatly."

- Lara Chebotarev, Ashley Kahi, and Julia Boucher

"Mr. Greene and I started teaching at ELHS together on the same day 21 years ago. As the only two members of the Technology Engineering Department, we grew close and have a lot of great memories. Through the years, we collaboratively developed the classes together in the Tech Ed department by attending conferences, sharing ideas, and creating content. We used to joke about which one of us should be the department head, we made the tasks in the graphics department fun, and we had countless other inside jokes that I will always cherish. We became good friends and had so many interesting conversations about school, teaching, family, and personal interests. I am lucky to have known him and call him my friend. AC-SO."
